MEMBER IN THE SPOTLIGHT: SANDRA RAU

Sandra Rau is a graduate of CPA Class 22 and comes to us from Toledo, OH. She moved to Lakeland in 1991 where she now works as a Rural Mail Carrier in Auburndale. Sandra is proud to have a brother who is a K-9 Officer and this is a likely reason for attending the CPA Classes. The class that she enjoyed the most was the one about gang activity in our area which was a real eye opener to her. Other community involvement includes volunteer work for Noah's Ark which is a not-for-profit organization founded by parents of individuals with developmental disabilities. The mission of Noah's Ark of Central Florida is "committed to empowering individuals who have developmental disabilities by advocating on their behalf and by providing or facilitating meaningful employment, recreational and social opportunities and affordable housing choices". With what little free time is left to Sandra, she enjoys quilting and spending time with her granddaughter. She also has 2 sons, 2 grandsons and another granddaughter due in July. Sandra also has the dubious honor of being a neighbor to Justin Troller! Thank you for all you do for our community and we look forward to your assis-

ing help.

JUNE GUEST SPEAKER

Many thanks to Dick Fearnow who gave us an enlightening presentation on Seniors vs. Crime. Dick has been a CPAAA member since 1998 and we're very proud of his accomplishments!

A BIG THANK YOU TO SUSAN HERBOLSHEIMER; the CPAAA received a check from her company, Traveler's Insurance, in the amount of **\$500.00** as a donation for "Travelers Community Action Award". We greatly appreciate Susan's dedication and time to the CPAAA!

UPDATE: OPERATION OVER THERE

Our LPD Officer serving in Iraq has returned to duty at LPD. Four other LPD Officers have been called up recently and are still serving in the US before being deployed. At our General Membership meeting, it was moved, seconded and passed to reserve our funds from contributions to provide "Care Packages" to only those serving in combat zones. Accordingly, this Project is on hold until word is received that one or more of those LPD Officers have been deployed.

FREE PUBLIC SAFETY TRAINING CLASSES

The Florida Regional Community Policing Institute (RCPI) at St. Petersburg College provides progressive public safety training classes. Cutting edge topics include: planning and responding to WMD incidents, human trafficking, ethics and integrity, sexual predator/offender awareness, dealing with the mentally ill, and problem solving strategies in community policing. Many of these courses are available online. The website for Florida Regional Community Policing Institute (FRCPI) is <http://cop.spcollege.edu/cop/>. The tuition is free and the classes are extensive. Please visit the website, click on TRAINING then SCHEDULE & REGISTRATION. Some of the classes are on online but most of the classes are in at the college campus. This is a great opportunity for our CPAAA members to enroll in some informative classes!

Marilyn Martin notified the board that her husband, Richard, had to have open heart surgery and is not doing very well. He is still in the hospital - on 3rd floor. She also said she will have to move him to a rehab facility. Please keep the Martin family in your thoughts and prayers during this time. We will try to keep the membership up-to-date in this matter.
