## PRESIDENT'S MESSAGE ~ SEPTEMBER 2008

Summer has drawn to a close and the fall has started off with a bang. The Citizen's Police Academy started on August 21 with a good crowd of 50+ students. Special thanks to Tina and her crew for the wonderful opening night food and the regular refreshments for the other classes

We started something new this year and are helping to staff the academy meetings on Thursday nights. We act as greeters and help welcome the students back to class. It is also an opportunity to do a little recruiting. You are more than welcome to come and participate.

As I write this the first budget hearing for the FY 2009 budget was last night. Things are still tight but they aren't as bad as they could be or are present in other cities and counties.

The board met last night and came up with what I think is a really neat idea for fund-raising. We'll talk about it next Tuesday night so be sure to attend the meeting. Our speaker for the next meeting will be from the FBI so don't miss it.

That's all for now...be safe and see you soon. ~ Stan Martin, CPAAA President

### OPERATION "OVER THERE"

Our LPD Officer serving in Iraq has returned to duty at LPD. Four other LPD Officers have been called up recently and are still serving in the US before being deployed. At our General Membership meeting, it was moved, seconded and passed to reserve our funds from contributions to provide "Care Packages" to only those serving in combat zones. Accordingly, this Project is on hold until word is received that one or more of those LPD Officers have been deployed.
